

Lesson 4

ANSWER KEYS

Literacy Skill Q's

Draw Conclusions What would likely happen if all of the elk in Yellowstone Park were removed?

Fewer wolves would live in the park.

Infer How do school buses that carry several students to school at the same time help conserve natural resources?

Sample answer: If they did not ride the bus, each student would need to ride in a car to get to school. This would use more fuel resources.

Literacy Skill Q's

Summarize How do communities use science ideas to protect Earth's resources and environment?

Sample answer: Communities

use science ideas to protect

resources when they practice

conservation in farming, recycle

paper and plastics, and choose
